

# Recall ReQuest® Web for Secure Destruction Services

The security and  
convenience  
you have come  
to expect from  
Recall.

**recall**<sup>™</sup>  
Your Information. Securely Managed.

Recall is making another investment in our most valued assets, our customers. Our new web platform, ReQuest® Web for Secure Destruction Services, will allow you accessibility and best in class functionality while enabling you to service your account – anytime, anywhere.

At Recall, we listen to our customers. Our ReQuest® Web for Secure Destruction Services was developed to save you time and reduce your workflow. Best of all, this new web platform provides you with exceptional benefits at no additional cost.

#### Convenience:

- Instant accessibility to your account
- Place service requests with ease
- Easily manage multiple service locations

#### Security:

- Secure and protected access to your account
- Security levels designed to limit or grant access for various users

#### Efficiency:

- Eliminate the need to call our customer service department
- Generate custom reports at your convenience
- Real time account management functionality
